Students Communicate
their ideas to one
another.

RUSSIA

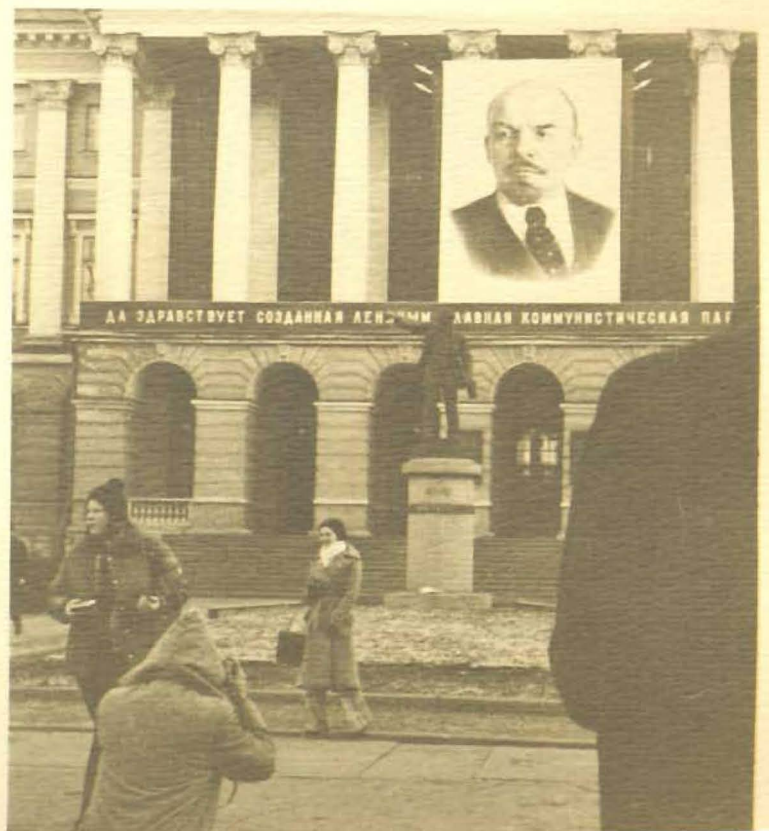

During the semester break of the 1972-73 term, students and faculty of L tri C visited Russia, Czechoslovakia and Hungary.

Typical Tourist

"Our Leader"

Happy New Year,
pass the Vodka!

United with nature,
something that has
always been universal.

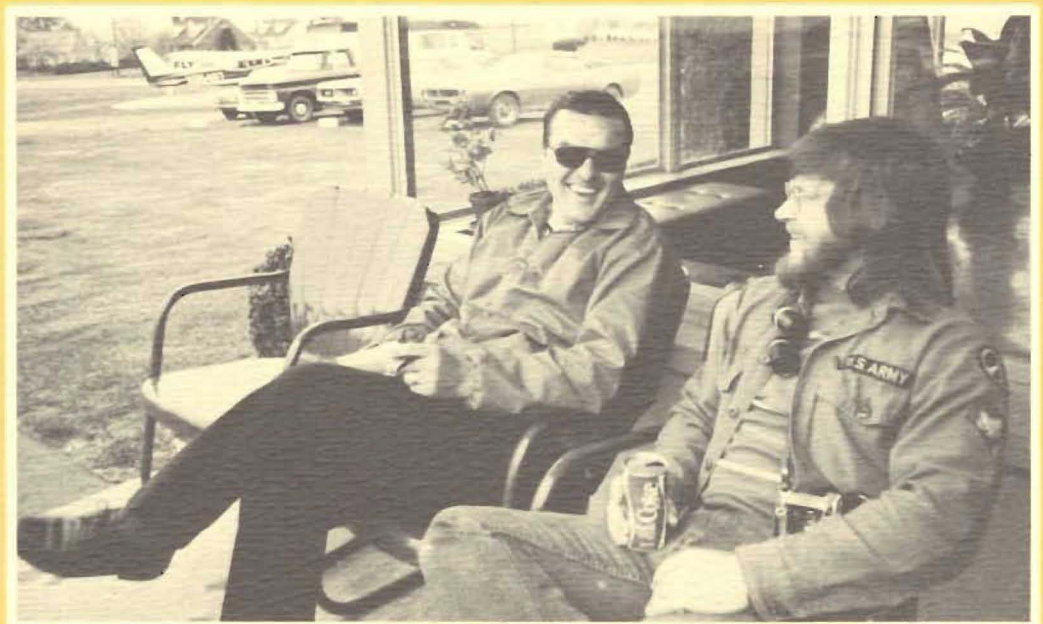

Be a good will
Ambassador.
Strangers are
friends that
you have never
met.

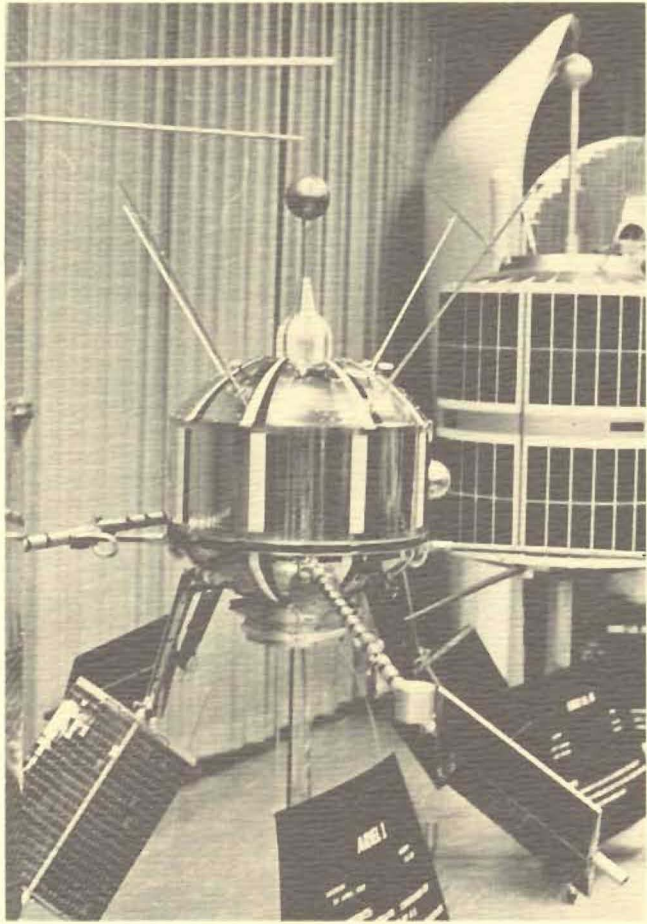

Back home again.
Safe, sound and
enlightened.

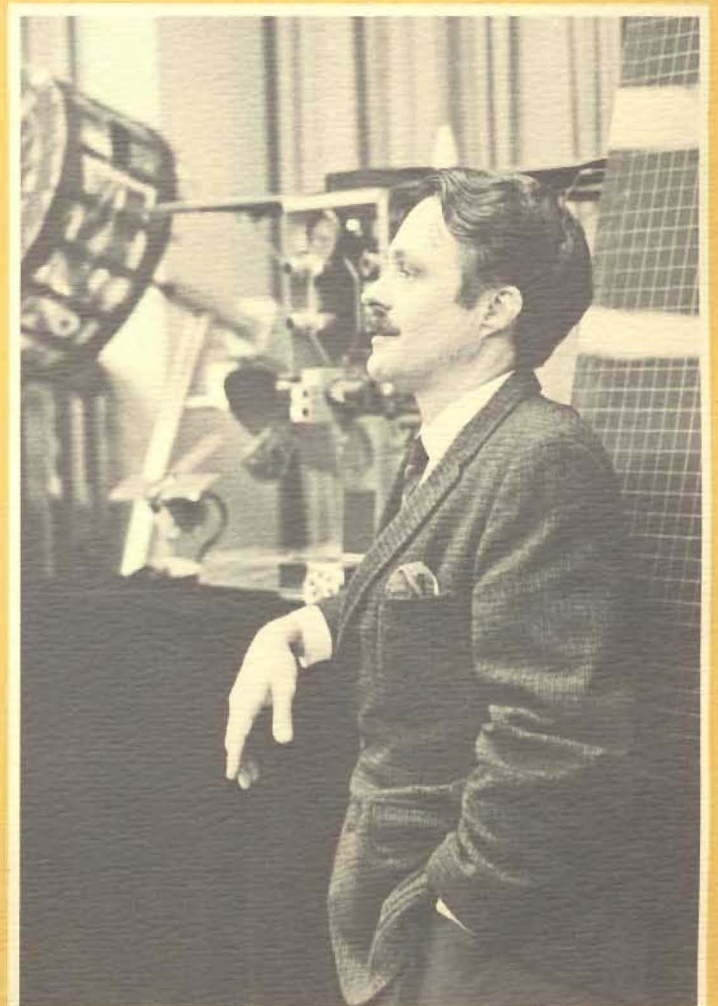

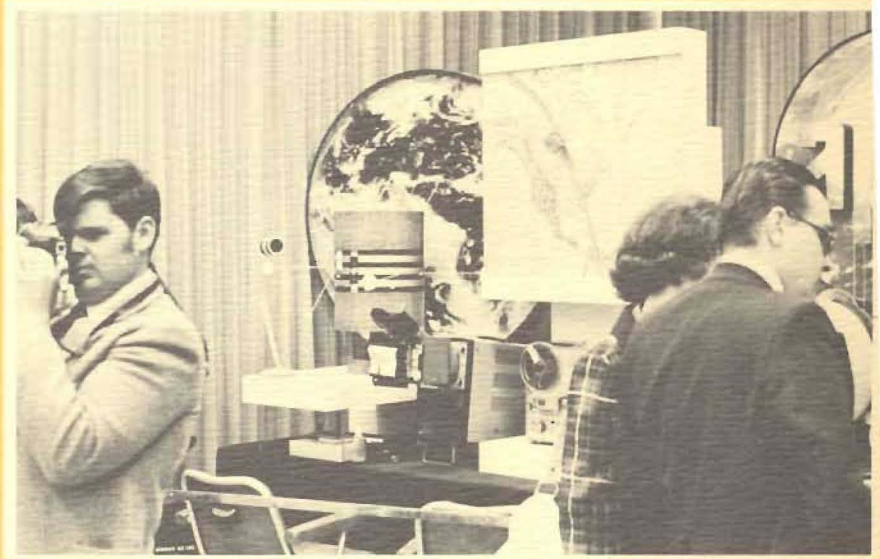

If you couldn't make
it to Russia, how
about a glider ride?
You and the air
current as one.

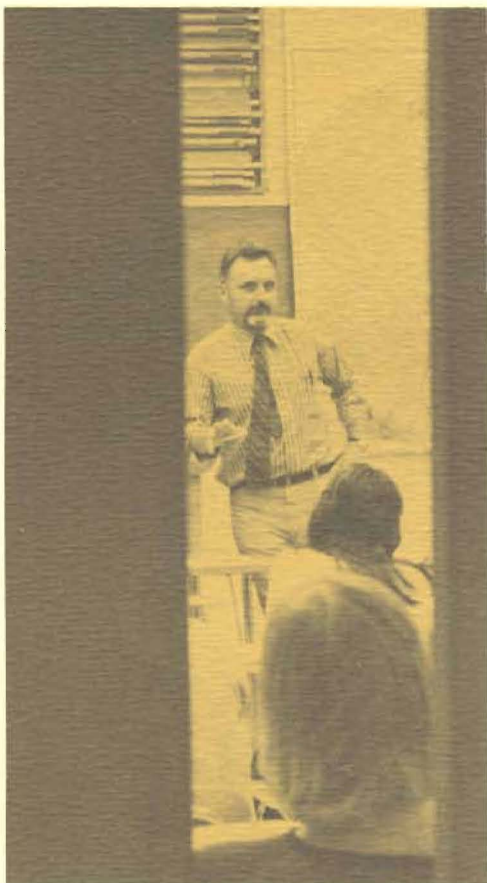

Space yourself out.
Explore the unknown,
but know yourself and
those around you first.

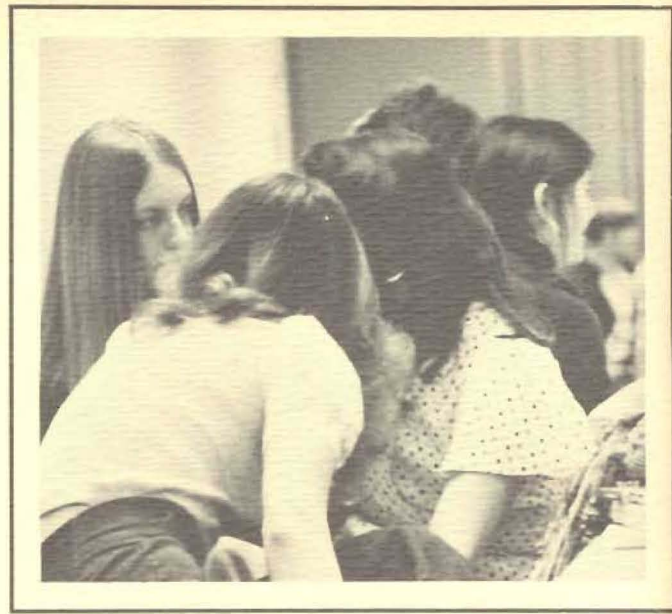

Individuals
united
become
one.

The Wizard
of Oz
said it,
"There's no
place like
home."
