

Articulation Agreement

Carbon Career and Technical Institute to Lehigh Carbon Community College

Electrical Distribution and Automation/Electrician

Eligibility

The student must successfully master the task list outlined for the listed CTE secondary program of study and apply to the listed LCCC Degree program in order to be eligible for articulated transfer credits.

CCTI Program	LCCC Degree	Articulation Credits
Electrical Distribution and Automation/ Electrician 46.0399	Construction Management AAS	6 credits – HAC 119, 160
	Construction Technology Certificate	
	Electrical Technology AAS 47.0105	
	Heating, Air Conditioning, and Refrigeration Technology A.A.S. 47.0201	
	Industrial Automation AAS 15.0613	
	Nanofabrication Technology AAS 15.1601	

Requirements

1. The student must complete the technical program of study with a B average or better. The student will need to request a transcript be sent from the secondary technical school to LCCC.
2. In order to receive credits and have them posted on the college transcript, the student must successfully complete (grade of C or better) a three-credit college-level course at LCCC. Articulated credits will not be used to calculate the student’s grade point average.
3. This articulation agreement and awarding of credit is acceptable for up to three years after the student has graduated from the CTE secondary program. Students who apply for credit after the three-year period must be able to document that they have been employed or are currently working in an area related to their CCTI program.

Apply

- Please Apply to LCCC by completing the [free application](#).
- Contact Genesis Reyes, CTE Transition Coach, to apply for the articulated credits and any additional help with the process: Email: greyes5@lccc.edu
