### iCare Mentors Needed

The iCare mentoring program is an initiative that partners with LCCC Athletics to help build student success and retention. The program began in 2019 piloting with our men and women's basketball team to impact and create change in our students, LCCC's athletic department and within ourselves. This past fall 2022 iCare has had historic success with academic success and student retention within LCCC's men's basketball team. We are seeing that same success mirrored at the start of spring 2023. We are extending our mentoring program to LCCC's baseball and soccer teams that are in need of our support. Can you help us continue our mission by volunteering to be a mentor?

Mentor/Mentee time can be as simple as watching a LCCC baseball or soccer game, supporting iCare initiatives or creating goodie bags for away games. Mentoring is about building relationships and sharing experiences, mentoring team members, showing student support, providing guidance, sharing LCCC resources and providing connections. You can provide support via texts, emails and or brief scheduled meetings. These small moments can have a BIG impact. If this sounds like something that would interest you, please contact Kescha Bell-Ross at [kbellross@lccc.edu](mailto:kbellross@lccc.edu).

## REMINDERS

### Name New Equity Space

We need your help in naming the space that is being created to support equity initiatives and is currently under construction on the second floor of the Academic Resource Center. Please submit your suggestions by Wednesday, February 15, by completing this [Form](#). Thank you in advance for your input in creating and naming this space.

This will be a safe and inclusive area that welcomes everyone! A place to break down barriers by opening minds. We are striving to create a student-centered space where students are able to:

- Be who they are,
- Learn about themselves and others,
- Work collaboratively on projects and activities that reflect diverse identities,
- Enhance their understanding of identities and intersectionalities, and cherish the richness that such diversity brings,
- Where all of our differences are valued and welcome.

Whereas we are encouraging everyone to submit their suggestions, we are doing an active outreach campaign for students to participate as this will be a student-centered place.

The Wellness Center, Office of Public Safety and Office of Student Engagement and Inclusion will host a table in the ARC cafeteria Feb. 13 - 16 from 11 a.m. to 2 p.m. The table will feature information on sexual violence awareness and will offer "did you know" bags, giveaways and resources.

### Inclusion Certificate 2023 Welcomes Dr. Shane' Gill

The LCCC DEI Committee presents "Underserved Communities and Inclusive Practices" with Dr. Shane' J. Gill at the Donley Center on February 23 from 2:30 - 3:40 p.m.

Dr. Shane' J. Gill is an aspiring philanthropist, reformist, globalist and advocate, who strives to identify opportunities in serving those that are underrepresented, misrepresented and whose civil liberties have been devalued by systemic oppression stemming from racist and discriminatory practices. Dr. Gill graduated from George Fox University with a bachelor of arts in biology and psychology. She then pursued and completed her master of arts in clinical mental health counseling at Regent University in Virginia and Ph.D. in counselor education and supervision from Capella University in 2022.

She serves as research fellow in the Department of Family and Community Medicine at Thomas Jefferson University and a visiting faculty in the counseling department at Barry University. With an interest in racial and ethnic disparities in behavioral health and the intersection of poverty in adverse health outcomes, Dr. Gill has begun seeking out opportunities to devote her career to research in these areas with a goal of creating new innovations in screening, assessment and treatment in behavioral health for marginalized communities globally and advancements in education and training of clinicians and providers in primary care and emergency medicine.

While this is an in-person event, a zoom option will be available. For more information and to receive the zoom link, contact [agramnummosley@lccc.edu](mailto:agramnummosley@lccc.edu) or [reichardt@lccc.edu](mailto:reichardt@lccc.edu).
