We Need Your Input

In collaboration with Compass Point Family Business Strategies, we will be conducting a SWOT analysis to obtain feedback from all LCCC constituents during the fall semester. Convocation kicked-off these activities with breakout rooms featuring the five priority areas of the college: **Student, Employee, Partnerships, Institution, and Technology**. If you were not able to attend convocation, we have other ways in which you can submit your feedback.

The [attached pdf](#) has links to Padlets where you can submit your anonymous feedback in each of the priority areas. Please use the QR codes on your phone or the links on your computer to access the Padlets and provide feedback.

You will also have an opportunity to provide live feedback in a Zoom session on September 9, from 10 a.m. - 12 p.m. Be on the lookout for a Zoom link for that session. Your input is needed and valuable to us, and we appreciate your participation!

Craig Koller's Retirement

Please join us as we have bid Dean of Health Care Sciences, Aviation, Mathematics & Science, Craig A. Koller, farewell and best wishes on his retirement. We will be celebrating with cake, coffee and tea in SH 32 (located in Science Hall) on Friday, Sept. 2.

Craig has been an essential pillar of LCCC for the past 5 years, starting as Dean of Healthcare Science in May of 2017. As the need for managerial expertise and support grew, he adopted additional roles including Dean of Mathematics, Science and Aviation. He lent his experience to multiple committees including the Healthcare Science Advisory Committees, Curriculum Committee, Academic Services and Student Development Policy Development and Review Committee, Environmental Health and Safety, President's Cabinet, Critical Incident Team, Academic Council, and ERMAT. Craig's door was always open to all for conversation, discussion, and debate.

Craig is looking forward to using this newfound time to work in his garden, spend time with family and friends, delve into his quilting, and volunteer within his community, perhaps Dean Koller will be Mayor Koller of Kutztown one day!

Please join us Friday, Sept. 2, from 1 to 3 p.m. for cake, tea and coffee as we bid him farewell, thank him for his invaluable impact on the college, and wish him all the best!

Faculty Website Input Survey

The Office of College Relations is working with the higher education marketing company Paskill, Stapleton & Lord on a new website design, and we are seeking faculty input to make sure the new site meets both academic and recruitment needs. Focus groups were conducted over the summer to gather feedback from various departments and students, and a group of faculty will serve on the final approval group.

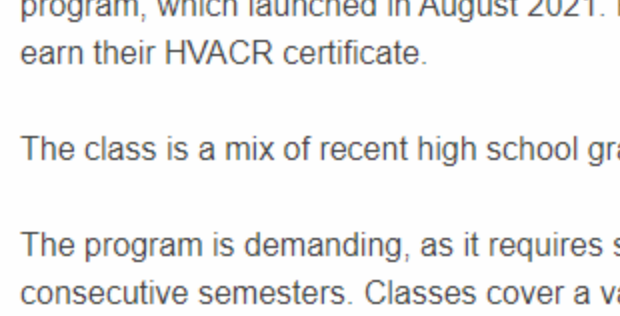

At this point, we need faculty feedback and opinions on the current site, so we are encouraging input. Please complete this short **online survey**, which includes 10 brief questions. We appreciate your time at this busy start of the semester!

HVACR Graduates Ready for Hot Careers

The summer is the beginning of a new career for seven new graduates from the Heating, Ventilation, Air Conditioning and Refrigeration program at LCCC. This is the first class to graduate from the 12-month certificate program, which launched in August 2021. Previously, the program required students to commit to 24 months to earn their HVACR certificate.

The class is a mix of recent high school graduates, adult students and people wanting to change careers. The program is demanding, as it requires students to take four technical classes each semester in three consecutive semesters. Classes cover a variety of topics including hydronic heating, advanced air conditioning and refrigeration, residential wiring and heat pumps. In both the 12- and 24-month programs, students take the same theory, labs, examinations and certifications. Students earn eight certifications with the choice to earn four additional certifications related to heating, ventilation, air conditioning and refrigeration. In addition, about half the cohort worked full- or part-time while completing their degree.

For information on the 12- or 24-month HVACR certificate program at LCCC, contact Timothy Brady, associate professor, at tbrady@lccc.edu or 610-799-1028.

Special Occasion Refreshment Requests

For special occasion refreshment requests, please contact Tiffany in Human Resources at TRehrigschaeffer@lccc.edu or ext 1005. All requests must be received at least two weeks before the planned event. Events can include retirement/resignation or recognition of a special award.

StART: Online Incident Report Training

StART is LCCC's online reporting system. All submitted reports are viewed by the Associate Dean of Student Development, the Director of Public Safety and the Dean of Student Development, Equity and Inclusion. In general, you will be contacted by the Associate Dean of Student Development, Brian DeLong, when you submit a report. StART's mission is to maintain a healthy, safe environment for all members of the college community. StART is currently utilized for online reporting of possible violations of the LCCC Code of Student Conduct (behavior concern), possible violations of the Academic Honesty Policy (academic dishonesty), injuries that take place during class (course related injury), and Public Safety reports. For more information, review LCCC's [Community Standards webpage](#). If you have questions regarding StART, or to schedule a StART training, please email Brian at bdelong2@lccc.edu.

Incorporate ePortfolios into Your Fall Classes

Faculty members who are interested in or are planning to incorporate the use of ePortfolios in their Fall 2022 course(s) or program(s) are asked to please contact Fred Damon, fdamon@lccc.edu or Tina Moyer, cmoyer@lccc.edu in the Career Development Center as soon as possible. If you are unfamiliar with ePortfolios, we are happy to discuss the program and the potential it has to be incorporated in your class or program.

Fall 2022 Tutoring

The College offers free tutoring to enrolled LCCC students in a variety of subjects. Face-to-Face tutoring is available at the Schnecksville, Allentown, and Tamaqua locations. Labs are open (walk-in), so no appointments are needed.

Remote tutoring appointments are booked online by students. LCCC tutors meet virtually through GoBoard or Zoom. Book up to two non-consecutive appointments a day for tutoring in the same course.

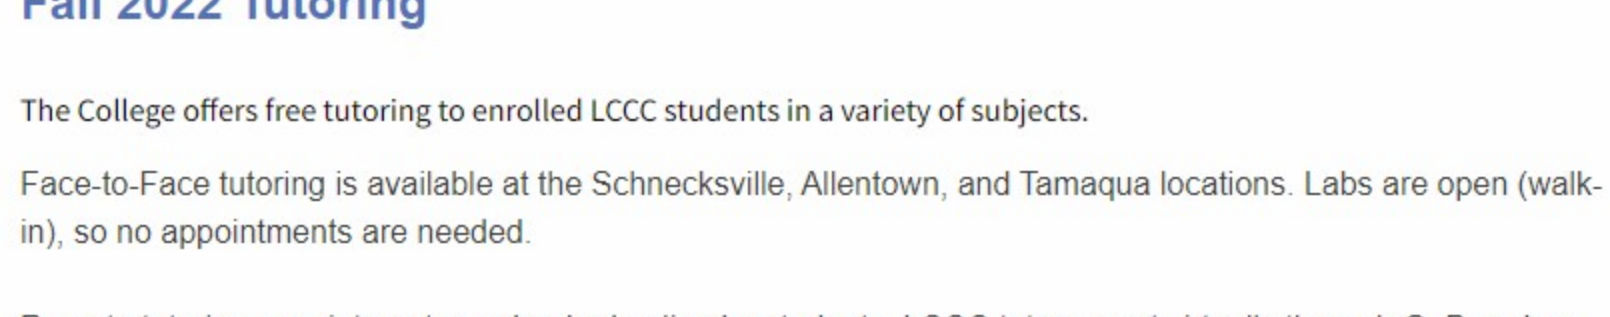

Smartthinking online tutoring is a 24/7 service free to students. Professional tutors provide both synchronous and asynchronous tutoring. Smartthinking may be accessed by clicking the link on the Tutoring homepage in the portal.

For more information click [here](#). For questions about tutoring, please call the Educational Support Center at 610-799-1156.

REMINDERS

Becki Silver Farewell Gathering

Please join us for cake on Thursday, August 25, between 1-3 p.m. in the advising suite to celebrate Becki Silver as she says goodbye to LCCC and begins the next chapter of her career as an advisor at Moravian University.

Becki has been an integral part of LCCC for the past 8 years, starting as a career case manager for the Bridge to Success CareerForce grant in 2014. After becoming a part-time academic advisor for Computer Science, Arts, and Communication in 2015, she grew into the role of academic career advisor in 2020 where she advised Liberal Arts, General Studies, and Undeclared students. During her time here, she has served on the Computer Science Advisory Board, led her division as advising coordinator, taught the SDS 104 Major Decisions course, advised for the SEED program and acted as trainer for many student service systems. She will be missed, but we are so happy for this next step in her career. Help us wish her well!

Canvas Opioid Awareness and Addiction Educational Resources

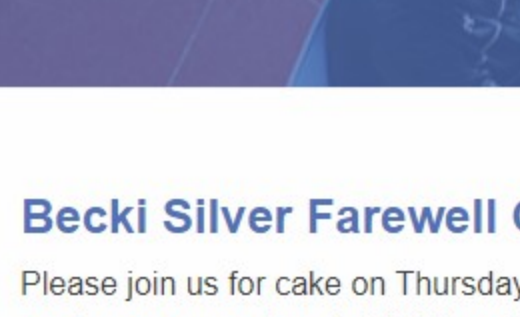

As part of a grant from the Pennsylvania Department of Drug and Alcohol Programs, LCCC has created an opioid addiction resource for use by faculty and staff. You'll find the modules in the series housed in Canvas. Each mini-module is approximately 10 minutes long, contains an instructional video, and PDF resources supporting the material in the presentation. At the beginning of each module is the same 'start here' information containing a brief introduction and a roadmap for the entire series so you can decide which modules you want to use and in what order. The library is ready to be included in any class or department standing for education on the opioid epidemic. Incorporate them into any existing Canvas course, or link for standalone presentations.

Click any of the courses in the series below to be taken to that module:

- [What is Addiction?](#)
- [Risk Factors for Addiction](#)
- [Types of Opioids](#)
- [Signs and Symptoms of Opioid Use](#)
- [Recognizing and Responding to Opioid Overdose](#)
- [History and Statistics of the Opioid Epidemic](#)
- [Addiction Treatment](#)
- [Effects of Stigma on the Opioid Epidemic](#)

If you need more information regarding the opioid awareness and addiction materials, please contact Associate Dean of Student Development Brian DeLong at 610 799-1895 or bdelong2@lccc.edu.

Tony Boyle Memorial Golf Classic Volunteers Needed

LCCC is holding a seeking volunteers for the Tony Boyle Memorial Golf Classic to be held on Monday, Sept. 19, at Lehigh County Club. For staff volunteers, please fill out the leave request form on the portal under "Faculty and Staff Information" – "Forms" – "College Forms" – "Leave Request Form". Check "other" and write in "Foundation Volunteer" and have your supervisor sign it. Please note that volunteers are not required to use personal or vacation time. There are multiple volunteer opportunities throughout the day. Please [click here](#) to register to volunteer.

Please contact Pamela Matias, at pmatias@lccc.edu for more volunteer information.

Child Care Access Means Parents In School (CCAMPIS)

Help spread the word about CCAMPIS to our student-parents. The LCCC CCAMPIS program continues to help students with dependent children access high-quality child care. Student-parents in the CCAMPIS program receive a 40-80% child care subsidy at one of our 7 community partners. In addition, supportive services include: orientation, mentoring, academic advising, parenting and student success workshops, educational resource materials, parent support network, and family events. For details visit the [scholarship page](#) or contact Kathy Meath at kmeath@lccc.edu.

Spirit Committee Activities

The first Friday of each month is Spirit Day! The next Spirit Day is Friday, Sept. 2 - wear your school colors day. That could be high school, college, where your children go to school, etc.

- Friday, Sept. 2 - Wear your school colors day
- Friday, Oct. 7 - R.E.D. Friday
- Friday, Nov. 4 - Wear your LCCC swag day
- Friday, Dec. 2 - Wear your Holiday attire

What is R.E.D. Friday?

R.E.D. is an acronym that stands for Remember Everyone Who Served. R.E.D. Friday was created to remind every people of our heroes overseas and show that we are thinking of them. R.E.D. across the country wear red clothing to serve as a reminder and spread the message of how important it is that we keep our troops in our thoughts.

As a military friendly school, we encourage all of our colleagues to join us for R.E.D. Fridays on any Friday throughout the year, but especially on Oct. 7.

Our LCCC Veterans Club also has the R.E.D. t-shirts for sale. The cost is \$10/shirt. If interested, reach out to Laura D'Amato, Peter McElroy or Erin Vermeulen in the Registration Office.
