### Advisors Needed for LCCC Clubs

There are currently several clubs that are seeking a faculty or staff member to serve as an advisor for their group. These groups provide opportunities for students to pursue special interests, develop interpersonal and leadership skills, meet other students, work with faculty and staff, and take advantage of learning experiences that exist outside the classroom. The activities sponsored by student groups enrich the total educational experience and quality of campus life. As advisors, faculty and staff members have an excellent opportunity to work with college students in a non-classroom environment, enriching student-staff/faculty interaction. We know from past experience and research that this interaction has a positive effect on student retention and graduation.

The following groups are currently in need of an advisor or co-advisors: Outdoors Club, Anime Club, Dance Club and Justice Society. For more information about these clubs and more information on the responsibilities of serving as an advisor please contact Gene Eden, [geden@lccc.edu](mailto:geden@lccc.edu).

Join this group to explore the challenges as well as the assets a neurodiverse community brings to campus while navigating within a neurotypical environment. This space will also explore practices that support neurodiversity in the workplace. To join the first meeting of the year at 4 p.m., Friday, Sept. 29, please contact Eric Werley at [erwerley@lccc.edu](mailto:erwerley@lccc.edu) and/or Thomas Simko at [tsimko@lccc.edu](mailto:tsimko@lccc.edu) for the Zoom meeting link.
