LCCC Signs Transfer Agreement with Western Governors University

LCCC graduates have another option to pursue their bachelor's degree thanks to a recent transfer agreement between LCCC and nonprofit, accredited Western Governors University (WGU). WGU is a competency-based online institution, which provides a convenient, low-cost option for LCCC graduates to complete their bachelor's degree online and through asynchronous coursework, while continuing to work.

This agreement will provide a closer partnership for students to move smoothly from degree completion at LCCC to bachelor's achievement online. Since 2018, a total of 91 students have transferred to WGU.

The agreement offers the following notable benefits to LCCC graduates:

- Transfer Pathways, including specific LCCC credit equivalencies
- Scholarship opportunities valued up to \$2,500, based on student eligibility
- Waiver of application fees

Employees at LCCC can also take advantage of this new pathway to a bachelor's degree or professional development.

WGU degree programs include accounting, business, computer science, cybersecurity, education, information technology and nursing. To learn more, go to [www.wgu.edu](http://www.wgu.edu). For information on the transfer program to Western Governors University, contact Fauzia Graham, LCCC's transfer advisor, at [fgraham@lccc.edu](mailto:fgraham@lccc.edu).

2022 Online Training Schedule

Below are the quarterly online trainings that have been scheduled for the summer and fall. These online trainings will be provided by Knowbe4. When you receive the email notification from Knowbe4, it will be a single sign on system that will enable you to log in using your username and password.

**April 27 - Introduction to Diversity, Equity and Inclusion**  
This course will provide all employees with a foundational knowledge of diversity, equity and inclusion (DEI) in the workplace and why it matters. This course defines DEI, provides examples of what each concept looks like in the workplace and describes ways to contribute to each concept through small-scale daily actions.

**June 13 - Preventing Harassment**  
This course uses interactions and scenarios to teach employees about workplace culture, power, gender and LGBTQ+ realities; how to identify and report harassing behaviors; what it means to speak up and be supportive; guidelines for preventing sexual harassment in the workplace, what it means to have an inclusive and tolerant workplace; and about spotting and preventing workplace abuse.

**September 12 (Mandatory for all faculty and staff) - Title IX for Higher Education: Requirements and Responsibilities**  
This course is designed to provide faculty and staff who work in higher educational institutions with foundational knowledge of Title IX, a federal law prohibiting discrimination on the basis of sex in most higher educational institutions. Faculty and staff will learn about their responsibility to report incidents of sexual discrimination, harassment, and retaliation.

If you have any questions regarding the training material, please contact Donna Williams, Director of Human Resources, Title IX/Equity Coordinator, at 610-799-1107.
