StART: Online Incident Report Training

StART is LCCC's online reporting system. All submitted reports are viewed by the Director of Counseling and Community Standards, the Director of Public Safety and the Dean of Student Development, Equity and Inclusion. In general, you will be contacted by the Director of Counseling and Community Standards (Brian DeLong) when you submit a report. StART's mission is to maintain a healthy, safe environment for all members of the college community. StART is currently utilized for online reporting of violations of the LCCC Code of Student Conduct (behavior concern), violations of the Academic Honesty Policy (academic dishonesty), injuries that take place during class (course related injury), and Public Safety reports. For more information, review LCCC's Code of Student Conduct. If you have any questions regarding StART or to schedule a StART training, please email Brian at bdelong2@lccc.edu.

2022 Online Training Schedule

Below are the quarterly online trainings that have been scheduled for the summer and fall. These online trainings will be provided by Knowbe4. When you receive the email notification from Knowbe4, it will be a single sign on system that will enable you to log in using your username and password.

April 27 - Introduction to Diversity, Equity and Inclusion

This course will provide all employees with a foundational knowledge of diversity, equity and inclusion (DEI) in the workplace and why it matters. This course defines DEI, provides examples of what each concept looks like in the workplace and describes ways to contribute to each concept through small-scale daily actions.

June 13 - Preventing Harassment

This course uses interactions and scenarios to teach employees about workplace culture, power, gender and LGBTQ realities; how to identify and report harassing behaviors; what it means to speak up and be supportive; guidelines for preventing sexual harassment in the workplace; what it means to have an inclusive and tolerant workplace; and about spotting and preventing workplace abuse.

September 12 (Mandatory for all faculty and staff) - Title IX for Higher Education: Requirements and Responsibilities

This course is designed to provide faculty and staff who work in higher educational institutions with foundational knowledge of Title IX, a federal law prohibiting discrimination on the basis of sex in most higher educational institutions. Faculty and staff will learn about their responsibility to report incidents of sexual discrimination, harassment, and retaliation.

If you have any questions regarding the training material, please contact Donna Williams, Director of Human Resources, Title IX/Equity Coordinator, at 610-799-1107.
