*Challenge Exam Credit

Requirements for Credit

1. The student must graduate from the Career and Technology Program with a B average or better in all technical courses.
2. This articulation agreement and awarding of credit is acceptable for up to three years after the student has graduated from the Career and Technology Center. Students who apply for credit after the three-year period must be able to document that they have been employed or are currently working in an area related to their Career and Technology program.

Note: Articulated credits will not be used to calculate the student's grade point average.
