When you apply for one of these programs, LCCC will grant you credit for the following courses:

LCCC Program		CIS 105 Introduction to Computers and Applications 3 Credits	Total Credits Granted
Computer Specialist - Network Technology and Security AAS	CST	3	3
Computer Information Systems AS	CSIS	3	3
Computer Science AS	CISS	3	3
Computer Forensics and Digital Security AS	CFSS	3	3

Requirements for Credit

1. The student must graduate from the Career and Technology Program with a B average or better in all technical courses.

2. This articulation agreement and awarding of credit is acceptable for up to three years after the student has graduated from the Career and Technology Center. Students who apply for credit after the three-year period must be able to document that they have been employed or are currently working in an area related to their Career and Technology program.

Note: Articulated credits will not be used to calculate the student's grade point average.
